* Volume 2 Summary *

A solitary high school student (Misato Suguru) originally wanted to hire a regular housemaid, but she turned out to be the beautiful Mahoro-san. With the sudden appearance of Mahoro-san and her earnest attitude towards housework, Suguru's life never ceases to be exciting. In addition, his classmates, and class teacher, Shikjou-sensei are causing endless commotions everyday. Moreover, Mahoro-san's true identity is a battle-purpose android of a secret organization, Vesper, who has been fighting an alien invasion from space. However, the remaining life of the disarmed Mahoro-san is numbered. Remaining time until Mahoro-san's system shutdown is 327 Days...

Mahoro-
san,
the
maid

A lonely
young man,
Suguru-kun,
hired a
helper.

She treats
her work
seriously,
she is
gentle
and pure
of heart.

Although
she is a little
different
from the
ordinary
girl type of
these days.

But the
most
significant
difference
is that,

Mahoro-san
is actually
an android.

When
did you
drop at them?

第1話 トワイライト〜Twilight〜

You stupid idiot!
We went
through all that
trouble to break
out of jail.
We will escape,
we will absolutely
get away safely!

Hey bro—
What, what
should we
do? We are
gonna
get caught!

Nobu,
drive
faster!

Good
morning,
Suguru!

But isn't Suguru also early this morning?

You two are both early as usual.

Good morning, Suguru-kun!

Hi!

Wow, that is something...

Here's something even more rare—

You're going to be late! Lene!

Well, it is the first day of a new school term after all...

Really, if it were like old times, you'd be dashing in when the first bell is ringing...

What are you doing? You don't have to run back to us...

Good morning!

Good morning!

Oh my!

It is of
this world
after all
it is always
so noisy.

Oh
my.

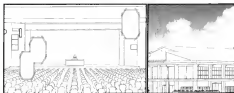

wee-o
wee-o
(Panic attack)

Chizuuuuull!

Ah
yes,
thank
you
very
much.

Are you
alright?
Are you
hurt?

Oh

Everyone,
nice to
meet you.

I am

I will
be replacing

continuing
his Physics

Uoooooooo

Anyway,
I still can't
believe the HERO
that saved Orlu
was actually a
teacher from
our school.

There's tap water,
drink as much
as you want!

Ah, it's
nothing. I was
just wondering
if I could have
some tea.
That's all.

Ah... it's
about
that Ryuuga-
sensei..

Just because
he is a little
bit cool, they
don't have to
get all
excited.

He's
become
all the girls'
center of
attention
just like
that.

And I really
thought he was
a gymnastic
on-san—

Ryuuga?

Ah, no
that
is not it.

I just
thought
it was
an unusual
name..

Eh?

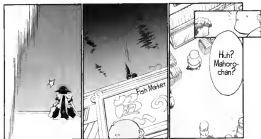

Mahoro-
sen.. Is
there
any chance
he is an
acquain-
tance
of yours?

That is
not
possible.
I must be
thinking
too much.

This feeling...
Could it be...

What is the
purpose for
a Saint warrior
to follow me?

Ryuuga

I came to settle it once and for all!

VIPER R -
MAHORO...

You, Vesper's strongest, and I, the one that is said to be Saint's strongest, who is more powerful?

A challenge?

Saint is fighting for a personal reason?

Hmpt.

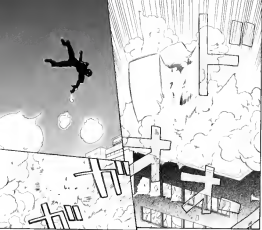

A support

came to
interfere..

!!

I had not
gone nude
for a long
time... Now,
thanks to
him...

Hmph

No, he did
that
deliberately.

He was
just
toying with
us...

The
past.

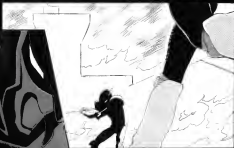

...is coming
back to
haunt me...

Time remaining
before Mahoro's
system shuts down...

第2話 サーチライト～Searchlight～

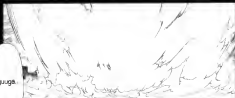

For the cause
of humanity, Saint,
Vesper, and for
ourselves, we have
encountered each
other numerous
times on the
battlefield.

Pride of
Saint,
their
strongest
warrior.

we have
never
settled
our
differences.

Even
though
we have
fought
each other
on several
occasions.

Ryuga.

And now he
has come
to challenge
me to
settle our
differences.

Saint has never
acted out a
personal
vendetta
before..

Does it mean that
Saint's Androids
are also being
affected by the
emotions of the
people of the
planet?

Just
like a
human
heart
would.
As if he
were
possessed
by a
samurai
spirit.

It has been two weeks
since that day..
It is very disturbing
when nothing happens.

If that is the
case, then hurry
up and confront me.

Sizzle

Also, why did Ryuge use his real name unaltered and pretended to be Ryuge-sensei? What were his intentions for entering the school?

Ah?
Hu?

uwachaaaa!!

What?

Wh

It doesn't
make
any sense.

Although his
health and athletic
ability exceed
those of the
average boy
his same age,

they are
nothing
extraordinary
that surpass
normal
human ability

Like..?

Although he is usually shy, he can be bold all of a sudden...

Hmm..? What does she mean by that?

That would be a secret!

Sugarunkun is...

By the way, Screen
It's checkmate

Who was that just now...

Maybe
he was...
Maybe
he wasn't...

Hm? Come to
think of it, he was
asking about you
Suguru-kun...

What was
Ryuuga-sensei
doing here?

But he comes
to play chess
with you?

I guess...

he seems
to be such
a nice kid

Anyway, it's
about Misato-
kun in Shikibu-
sensei's class.

Very Nice Drawing (Miyamoto Arima)

And he's
cute, too!

Of
course,
of course!

He's
great---!

Huh?

副代官

The time to
EAT him is
NOW!

*For Iyan (Shy smile)

That is
why you
know...

Why
what?

future...
potential...
so that
must be
it.

Hmm...

If he took off
his glasses,
he'd be such
a pretty boy.

In another
five years,
he'll grow into
a handsome
man that no
woman can
resist.

I can
live without
you sense!

I will teach him the
wonderful world of
adulthood, and
raise him so that
he will never leave
me for the rest
of his life!

Is that
so...

He's smart,
healthy and has
good character...
he has great
potential
and has a
bright future
ahead of him.

Misato Suguru
has the ability to
understand
people's hearts...
but the true intention
behind this talented
educational program
preparation for the
next Vesper leader
candidacy?

However,
the part about
his future
potential is
worth
considering.

Mmm?

Having fun
babysitting
day after day?

I see.
So you're
with your
master today.

I will say it once more.. Suguru-san has nothing to do with Vesper.

How do you expect me to believe this situation has nothing to do with Vesper?

Vesper's strongest android was sent to protect the son of Misato Ryou, the capable and famous commander..

Suguru-san has nothing to do with Vesper!

Is he REALLY an ordinary person?

There is the unspoken rule between Vesper and Saint, is it not?

Why.. are you investigating Suguru-san? We do not involve any ordinary people from the general public beyond necessity..

Stop fooling around! If you want a challenge, come out and fight already!

You didn't have to come all the way here to see me, I am going to pay you a visit in a few days..

I'd love to, but I have other important things to take care of first.

Then for what reason would a warrior such as yourself live with an ordinary boy, and pretend to be a normal human?

I will shoot you right here

If you start a fight here, then you will truly be getting ordinary people involved.

Heh

Mahoro-san?

But Ryuuga was right, we cannot start a fight in the middle of the school. There is no choice but to retreat for now.

Still as annoying as ever.

we all might have

So, was it

Hoh That bastard finally decided to show up

Hey there! Good day

Nice to meet you.

I am Misato-kun's Physics teacher at school, my name is Ryuge Tou.

Thank you for also inviting me today, Misato-kun.

No problem.. please enjoy your stay

As I figured.. that was why..

It is very nice to meet you as well. I am a worker in this house, my name is Andou Mahoro..

But I have
to confirm the
true identity of
Ryuga-sensei.

I'm sorry,
Mehoro-san.

So, the
instigator of
today's
plan was
you, wasn't
it... Suguru-
san...

Ah... so it
is Andou-
san...

That Suguru...
what is he
trying to pull?

What's more...

However, when Ryouga-sensei arrived I saw the unusually alarmed expression on Mahoro-san.

Even though there hasn't been any disturbance till today, and they both seem to be talking as if they've never met before...

Would you like to take a look inside?

Nisiro-kun's house is so spacious and marvelous.

Sister has been raising Ryouga-sensei since he arrived.

Sister!
More beer!
BEER!!

Hey!

This is my room.

Mahoro

That's enough!
I'm busy
right
now...

Hahahaha

Gyaaaa!
Stop
this at
once!

Thanks to
Mahoro-san's
cleaning...

Woww~
It's so
clean and
well
organised.

When I was 8 years old, my mother died in a traffic accident.

Yeah.

These are your parents?

The driver responsible for the hit-and-run was never caught.

Then 4 years ago, my father was out on an overseas factory inspection assignment for the company that he was working for. He was involved in an accidental explosion...

Th... that's...

behind
his
father's
real
occupa-
tion...
or the
way
he died.

I see. It seems
like this boy
doesn't know
the truth.

When he
was put in
the coffin
and sent
back to
Japan,
there was
only some dark
charcoal like
substance
remaining inside.

Even though
my relatives
opposed and
thought it was
unreasonable,
I've decided
to live alone.
To tell you the
truth, it was
really hard.

I'd feel
envious
whenever
I see people
with their
parents living
ordinary lives.

Not
anymore.

No...

You can
decide on
the time and
place of
the duel.

Because of
that, I'd like
to issue
you a new
challenge.

Alright.

The location
is at the old
Hingui Hospital
site, in the
neighbouring
town. Would
that be
acceptable?

Tomorrow
night... no, I
meant at
2 am the
day after
tomorrow...

Even so,
at least let
me be your
support.

It will be alright
the way it is...
It is a pest that I
must face by
myself.
Since that is the
fate of a winter.

It's still not
too late
but it's a better
idea to contact
Vesper
Headquarters
to ask for
backup?

After all,
I am your
support
mech!

What is it
that you've
been
thinking?

Furthermore...
I have been
thinking for
quite some
the time...

Hasn't
Suguru-san
been
treating me
very well?

Ah, that's
true...

I can't do
that.
This is a
one on one,
fair-and-
square,
duel!

Fair-and-
square
my ass...

Since
there is only
a short time
left for me...

and
enemies
are
materializing
around
me...

I wonder... if it
would be better
for me to leave
this home...

leave Suguru-san...

The better he
thinks of me now,
the more hurt
and grief
I will cause him
in the end,
when he finds out
I am not who he
thinks I am...

...why
is it
like
that...

That is
why...

Eh?

But...
what
do you
REALLY
think?

Whatever
your logic is,
your feeling is
what counts,
right?

What do you
think, Sash?

Don't have
an answer
to that.

Is that
so...

Mahoro-san... I don't want you to do anything!

So she WAS half serious...

Don't you think it's a little bit much for a joke... Mahoro-san?

Anahahaha

Stop being so serious, Suguru-san. I was only 'HALF' joking! How could I use such excessive methods to take out a mortal opponent alive?

*The Original Ghost house

It seems like the misunderstanding was cleared up when he came yesterday.

If that is so... Ryuga-sensei?

He suspected that I am posing as a maid for some covert mission. That is why he came to investigate my surroundings and you, Suguru-san.

Ryuga-sensei is actually an android from the alien organization Saint.

En?

It seems like you have already guessed it.

Ryuga-sensei is going back,?

Yeah.

There is no reason for him to continue the investigation when he won't be able to find anything, right?

That's because I am already retired, and Suguru-san is just an ordinary person.

Yeah.

From tomorrow on, Suguru-san's school will be getting a new replacement physics teacher...

Hmm, well, but, what about...

Equipped with Arti-
ficial Intelligence that
is based on Saint's
data on humans...
With an android
body that can with-
stand any given
environment... That is
what I am.

I am the battle
purpose android,
created by the
mother of Saint
Matthew. There was
no doubt that I
should be the stron-
gest in battlefield.

It was very
unsatisfying—

and I was
thoroughly
defeated.

There, I
encountered
Vesper's
battle
purpose
android,
V046R-
MAHORO, and
was engaged
in battle.

The
battle
only
lasted 4
minutes
31
seconds.

However...

I would've
been
destroyed
should you
have added
one final
blow...

To under-
stand that I
have been
fighting and
improving
myself til
this day

The
meaning
of your
action...

You just
walked
away
without
stopping

Is the day
that the
meaning of my
existence for
being created
into this
world will be
fulfilled

The day
that I
become a
warrior that
surpasses
you

RAY

BLADE!

If that is the case, I might as well accept my fate and be destroyed gracefully.

Even if I use that to defeat Ryugo now... All that will be left will be sorrow.

Huh?

What?

Misato
Suguru?

Suguru-
san... H
how could...

It can't be
helped; a
command
given from
the Master
is absolute
and has to
be
followed.

Sigh!
What's the
meaning of
this...?

I don't know what happened between you two in the past, and I don't want to know.

The war between Aliens and Earthlings has nothing to do with me.

And it doesn't matter that Mahoro-san was a battle purpose android, it doesn't make any difference to me..

There is only one thing that is important to me! That the Mahoro-san that I know will be always by my side.

It is an unavoidable challenge that a warrior must meet.

Snap soldier, Misato Suguru..

I won't move!

Why do you have to fight with Mahoro-san?

That is the only thing that I care about!

Without holding any weapon, with only his body... a mere human being, trying to protect an android?

Why is he not even a little bit afraid?

If you want to fight with Mahoro-san, you have to go through me first!

I am Saint's prized battle purpose android...

A battle purpose android cannot prove the value of its existence apart from fighting...

Is Mahoro that important to you?

Mahoro is just a battle purpose android... why are you treating her as if she is human..?

That's right.

then I'll grant your wish, Ryuguel

If you so wish to have this battle settled.

This is how we should've decided our battle right from the start.

Snap it, Mahoro!
Think about what you're doing!

It is deeply integrated within Mahoro-san's vital functions.

To be able to live among humans, all ornaments were removed from Mahoro-san's body. However, there is one remaining battle purpose part that cannot be removed.

And for the same reason, it is like a double-edged sword that continuously shaves off Mahoro-san's life force as it is being used.

This ring emits Mahoro-san's power, making it the strongest invincible ultimate weapon.

SHINING OF

It's

this.

る 闇
THE DARK !

Your
android
life
force
is
going
to
be
exhausted.

The end?
What do
you mean
by that?

That's
non-
sense.

Surely
it can't
mean
that...?

What?

Stop it! It
will be the
end!!

What does
he mean
by that..?

That's it.. I've finally got it..

with Misato Suguru....

That is why she
wants to spend
her remaining
time

she'd probably
ceased to function
already..

If she was to
have remained a
fighter till this
day

And here I am..
